A SUCCESSFUL MEET

PATRON - TEACHER EVENT AT BURLINGTON JCT. SATURDAY

DISCUSSIONS INTEREST

County Superintendent Urges Pupils Above Fifth Grade to Aid Farmers in Testing Seed Corn

The teachers and patrons meeting held at Burlington Junction Saturday proved a success in every way. Supt. C. H. Allen of the Burlington Junction schools, was elected chairman of the meeting.

Although the weather was unfavorable a large per cent of the teachers were present.

"The Teacher's Duty to the Community," as discussed by Miss Maye Growney, principal of the Clearmont schools, was interesting. Miss Growney pointed out that teachers should be the patriotic leaders in their communities.

Miss Christie Waldier gave an interesting talk on "How to Use the New Drawing Books." She gave a number of helpful suggestions which will be a great aid to other teachers.

Supt. E. R. Adams of Skidmore, in his talk on the "Spring Track Meet," urged the pupils in the rural districts to take an active part in the spring meet.

Under the topic of "Agriculture," Supt. Bert Cooper urged that every pupil above the fifth grade should be taught how to make a corn testing seed box and should assist the farmers of the community in testing their seed corn.

Other beneficial discussions were given by Supt. C. H. Allen of Burlington Junction, Miss Margaret Parker, Miss Norma Lashlee, principal of the Quitman school, Miss Dollie Hughbanks.

Of the several musical numbers on the program one deserves special mention—the Skidmore orchestra and chorus, of which Skidmore should be proud.

ARRIVED SAFE IN FRANCE

Ross DeArmond Cables Parents—8,000 Men In Detachment

A cablegram received this morning by Mr. and Mrs. S. J. DeArmond from their son, Ross R. DeArmond, told of his safe arrival in France on January 24. The over-seas force of which DeArmond was a member left New York on January 10 and had an uneventful trip. Eight thousand men were included in the detachment sent over.

FUNERAL OF MISS ADA DISS

Services Were Held This Morning at St. Patrick's Church—Burial Was In St. Mary's Cemetery

Funeral services for Miss Ada Diss, who died Friday morning, were held at 9 o'clock this morning at St. Patrick's Catholic church, conducted by the Rev. Father Henry F. Neimann. Burial was in St. Mary's cemetery.

Those acting as pallbearers were: Frank Cook, Francis Barmann, Raymond Murrin, Ernest Sherlock, Vincent Quinn and Will O'Donnell. The honorary pallbearers were: Misses Irene Rigney, Helen Tobin, Marguerite Cummins, Alice Donahue, Azella Basford, Beatrice Growney and Hazel Pope.

SCOUTS DELIVER ADDRESS

President's Flag Day Speech Is Being Distributed—Get Other Information On the War

If a Boy Scout comes to your door today, hands you a printed sheet and asks you to "sign up, please, and if you want to get any information on the war I'll get it for you," do not think that the war has unsettled the minds of our youth.

The printed sheet is a copy of President Wilson's Flag Day speech, in which he outlined the causes of our entering the war against Germany, published by the Committee on Public Information. And the boys offer to get more information is genuine, for they have orders to get it at the committee's office. Boy Scouts throughout the country are doing the same work.

A LIMIT ON SUGAR SALES?

Warning From the State Food Administration of Shortage Which Now Threatens State

Limitation of sugar sales in Missouri is the warning given out by the Missouri division of the United States food administration.

Retail grocers should sell sugar to farm and rural customers in five and ten pound packages and in towns and cities in two and five pound packages, it is said.

Flour in rural and farm communities should be sold in quarter or half barrel quantities and in town and cities in eighth to quarter barrel quantities.

It is pointed out there is a sugar famine throughout the east which now threatens Missouri.

H. L. Haines to New York.

Harvey L. Haines will leave Thursday for New York where he will meet his brothers, F. H. and C. S. Haines of ElDorada and Sabetha, Kans., and will buy spring goods for the Haines stores.

NEW VICTORY LOAF

BAKERS BEGIN MAKING PRESCRIBED BREAD TODAY

5 PER CENT SUBSTITUTE

The Percentage of Other Cereals for Wheat Will be Gradually Increased to Twenty Per Cent Later

Bakers will begin today the manufacture of the new victory loaf, a war bread containing 5 per cent substitute for wheat flour, prescribed by the food administration as a part of its 1918 food conservation program. At the same time grocers will sell to householders wheat flour only when the purchaser buys an equal amount of some other cereal.

The percentage of substitute flours used by baking establishments will be increased gradually until a 20 per cent substitution is reached on Feb. 24. As substitutes the bakers may use either some other cereal or flours made from potatoes or beans.

Hotels, restaurants, and other public eating places will be required to observe the regulations laid down for baking establishments.

To force wheat conservation, both wholesalers and retailers will be required to limit their purchases of wheat flour to 70 per cent of last year's supplies. The remaining 30 per cent will be taken from the mills by the food administration for the purpose of creating an export surplus and building up reserve store to fill emergency needs.

Other features of the new conservation program, announced yesterday in President Wilson's proclamation are two wheatless days—Monday and Wednesday; one meatless day—Tuesday; two porkless days — Tuesday and Saturday—and a 10 per cent voluntary reduction in the household sugar ration.

WOMEN WOUNDED IN FIGHTING

Members of the Russian Red Guard Went to Aid of Bolsheviki Engaged With Finnish Troops

Stockholm, Jan. 28.—A number of women soldiers were wounded in the fighting which occurred in Finland, say Haparanda dispatches. The information says they were members of the Red Guard and reinforced by members of the Bolsheviki were engaged in fighting soldiers of the Finnish republic. Another report from the same sourc esaid that dissentions had developed in the Bolsheviki government over peace negotiations between German and Ukranian envoys at Gentleitovsk.

CENTRALS HERE FOR GAME

Team From Warrenton College Arrived Early This Morning—Close Game Is Promised

The Central Wesleyan basket ball team arrived from Warrenton this morning in readiness for the game with the Normal Bearcats at the Normal gym tonight. W. J. Lemke, director of athletics at the Warrenton college, was accompanied by the following players: Biz Zimmerman, Art Polster, Ray Polster, Alfred Buschman, Caspar Jacoby, Malcolm Sudbrock, P. Fricke and Walter Herman.

Maryville will line up as follows. Earl Miller and Walter Scott, forward; Fred McMahon, center; Chas. Wells and Cleo Richards, guards. Keedy Campbell of Kansas City will referee the game.

The Centrals defeated Drake University in a close game last week and the fans are looking for a hard fought battle tonight. Maryville, with a clean score, is going to endeavor to keep in the lead and the team that beats them will know they have been in a game, the boys say.

SIX WERE ADDED TO CHURCH.

Christian Church Recruits Members From Decision Day in Sunday School .

Decision Day at the Christian church Sunday school yesterday resulted in six additions to the church by members of several Sunday school classes. They were: Frank Childress, Genevieve and Mary Todd, Margaret Frank, Harriet Miller and Sadie Neal, each of whom made a confession of faith. Decision Day is a requirement of the International Sunday School standard and is observed at regular intervals during the year. Special exercises yesterday featured the observance of Decision Day.

MAJ. GEN. G. W. GOETHALS

Special to The Democrat-Forum.

Washington, Jan. 28.—General Goethals, Panama Canal builder, is cleaning house — literally—in the quartermaster's corps. His reorganization of that branch has already caused removal of two brigadier generals and appointment of civilians noted in the business world as leaders in their lines.

Goethals found the quartermaster corps seriously disorganized, with no effective plans and with little real efficiency. Goethals, his friends say, started to apply the principle of no favoritism and to sweep out the existing regime.

TO TEACH NEW PLAN

P. G. HOLDEN, CORN EXPERT, TO DIRECT TEACHER CLASSES

HERE A WEEK, FEB. 4 TO 8

Teachers of New System From Buchanan, Atchison, Holt, Nodaway to Receive Personal Instruction

P. G. Holden, corn expert and agricultural specialist, will be in Maryville for an entire week, beginning February 4, to outline further plans and give instruction to teachers in the new system of vitalized agriculture. The classes will be held at the Normal and will be attended by teachers from Buchanan, Holt, Atchison and Nodaway counties. The meeting has been arranged for Maryville as these are the only counties in northwest Missouri that have taken up the new plan for studying agriculture.

Five schools in Nodaway county—Glendale, Belle Grove, Elm Grove, Mount Pleasant and Lasher—have had classes in vitalized agriculture during the past winter and have found the new system, the result of efforts of Mr. Holden and developed by him through the co-operation of the state superintendent, a great improvement over the old book methods and the classes for instruction will be held for the purpose of widening the scope of the work and taking in other schools if it is found desirable at this time.

Prof. Holden will give personal direction and instruction to the teachers in developing the new system and will outline plans for their future work. It may be that several other schools in this county will b eadded to the list of those already giving instruction in the new method.

Miss Hettie M. Anthony, head of the home economics department at the Normal, will supervise the work in sewing in the schools having classes.

WILL REPEAT SCHOOL PLAY.

High School Pupils Will Give "The Novel Cure" at Ravenwood.

The mid-winter graduating class of the High School will present their class play, "A Novel Cure," at Ravenwood Wednesday night. The play will be staged at the opera house and the curtain goes up at 8:30 o'clock. The same cast of characters will appear and music will be furnished by a five-piece orchestra from the High School.

Mrs. E. L. Applegate of Calgary, Canada, arrived in Maryville Sunday for a visit with her mother-in-law, Mrs. S. Applebe... ...ster-in-law, Mrs. George H...

23 ARE EXAMINED

REGISTRANTS IN CLASS I BEFORE PHYSICIANS

MANY FAIL TO QUALIFY

Recommendations Are Made In Some Cases For Men to Serve For Special or Limited Service

Twenty-three registrants underwent physical examinations at draft headquarters this morning, with a large majority failing to qualify for service. With the removal of the weight limit several registrants who were rejected on previous examinations were able to qualify.

The physical examinations have not yet been passed on by the draft board.

Physical requirements of this draft differ from the first in that men with slight defects may be recommended for special or limited service. The following were examined today:

Edward Calvert Hawkins, physically qualified for special of limited service.

Clyde Davis Todd, physically deficient, organic heart trouble.

Ralph I. Bradley, physically qualified.

Joseph Samuel Dobbins, physically qualified.

James F. Smith, physically qualified for special or limited service.

Aubrey D. Lyle, physically deficient, perforated ear drums.

Herschel Eugent Wiles, qualified for special or limited service.

Halley Ford, physically qualified.

Claude E. Young, physically deficient, deformed hand.

Walter E. Wohlford, physically deficient, stiff shoulder.

Clarence Alfred Thompson, physically deficient, hernia.

Fred McIntyre, physically deficient, bad feet and eyes.

Phil Williams Hamon, physically deficient, hernia.

James Lee Mozingo, physically deficient, poor vision.

John F. Wilson, physically deficient, organic heart trouble.

Leon Dawson Chappell, physically deficient.

Bernard I. Durbin, physically deficient.

Frank P. Ham, physically deficient, heart trouble. ½

James Cunningham, physically deficient, poor vision.

Anselm E. Schumacher, physically deficient, organic heart trouble.

George Morgan Boham, physically deficient, deafness.

George Washington Myers, physically deficient, old fracture of leg.

Jas. Edw. Gray, physically deficient.

ASKS COURTESY FOR ALIENS

Registrants Are Not to be Treated as Persons of Evil Disposition, Says Bayless Steele

Alien enemies who will register next week are to be treated in a courteous and friendly manner and in order that a correct interpretation shall be placed on the registration order Bayless Steele, chief registrar for the western district of Missouri, has issued the followng supplementary notice as an item of information for registrants:

"In conducting the regisrtation of German alien enemies, registration officers understand that many registrants will need assistance and advice in filling out their registration affidavits and have been requested to aid such persons in every proper way. Registrants are not to be treated as persons of evil disposition and the registration officers have been instructed to deal wth them in a ciurteous and friendly manner.

"Registration officers are authorized to administer any oath or affirmation required and no fees are to be charged or gratuities accepted from registrants for such service."

The days upon which the registraton will be held are February 4 to 9 at the postoffice and registrants are required to bring photos of themselves.

Marriage Licenses.

The following have been issued marriage licenses:

Ralph E. Lewis of Ravenwood and Anna Blanche Bloomfield of Parnell.

Mrs. C. H. McCaslain, Mrs. S. J. Dice, Pauline Dice and Gladys Collier of Stanberry were in Maryville on business Saturday.

ASK PERSHING TO REPORT

In Absence of Additional Word Concerning Accident In France, Believed Officer's Hurts Not Serious

Washington, Jan. 28.—The war department today is without additional information concerning the accident in France which resulted in wounding Maj. Gen. Leonard Wood, Lieut. Col. Chas. Kilbourne and Maj. J. A. Joyce. General Pershing has been asked to cable a complete report. As a result of no additional word from him it is accepted here as conclusive evidence that the condition of the three officers is not serious.

ARGUMENTS ON IN DOSS CASE

Arson Trial Will Probably Be Concluded This Afternoon — Hinges On Bloodhound Evidence

The trial of Doss Huff, charged with arson, was continued in circuit court Saturday evening until this morning when attorneys for the state and defense began arguing the case before the jruy. It appears the vital point in the case hinges on the evidence afforded by the bloodhounds and attorneys on both sides are laying much stress on it. L. C. Cook, assisting county prosecutor, occupied several hours this morning in dissecting the case and went into the bloodhound evidence in detail. He was followed after the noon recess by Judge W. C. Ellison for the defendant, and at the time of going to press was still engaged in presenting the case to the jury. It is not likely that the arguments will be concluded until late this afternoon.

The case has been on trial since last Thursday morning and has occupied the entire time of the court to the exclusion of all other business.

SPOKE TO CLUB DIRECTORS

Judge Merckling of Grant City Was Guest of Directors of Commercial Club at Luncheon

Judge Alb. Merckling, former judge of the county court, was here from his home at Grant City today and was a guest of the directors of the Commercial Club at their usual Monday luncheon. Judge Merckling told the directors of the club some interesting facts in connection with the organization at Grant City, of which he is an active member. The Grant City Commercial Club numbers some fourteen or fifteen hundred members and includes many of the farmers of the county.

LIBRARY CLOSED THREE DAYS

New Furnace Is Being Installed—Red Cross Rooms Also Closed

The public library and the Red Cross rooms will be closed Tuesday, Wednesday and Thursday during the installation of a new furnace in the library building. All shipments of Red Cross articles from county auxiliaries will be taken care of by Janitor Dragoo.

PLAN U-BOAT BLOW AT UNITED STATES

GERMANY BELIEVED TO BE PREPARING FOR BIG SEA AND LAND OFFENSIVE

SUBMARINE FLEET BEING OVERHAULED

Secretary Baker Warns of Coming Campaign and Says Military Operations On a Large Scale May Be Expected Soon

Special to The Democrat-Forum.

London, Jan. 28. — That Imperial Chancellor Von Hertling's war aims speech is a prelude to the long expected German offensive on the western front was the belief that gained considerable credence in military circles today. Germany began to throw off the mask that she was waging a defensinve war when she began negotiations for peace with Russia and now she has virtually admitted to the world that she aims at conquest. French experts believe that the next few months will see some of the bloodiest fighting of the war but they are confident that the German onslaughts will fail and that the Allied lines will stand firm as granite.

There are indications that the Teutons plan a triple land and sea drive, as the advice comes from Amsterdam that the German submarine fleet is being overhauled and fitted with heavier guns and new units are being added. It is also reported that Germany may even risk sending her fleet out on the high seas to give battle to the British fleet.

Washington, Jan. 28.—Warning that the Germans are preparing for a great submarine offensive against the American lines of communication with France in connection with the impending Teutonic drive against the west front, is given by Secretary Baker in his weekly military review made public by the war department.

Recently there has been a marked decrease in the number of Allied merchant ships sunk by submarines. The explanation for this is found in the withdrawal of submarines in preparation for the coming thrust on sea and land. The review says:

"As the time draws near when once again the enemy will endeavor to strike a decisive blow in the west, it must be emphasized that he will not be content with mere military operations on a large scale."

THE WEATHER

Fair tonight and Tuesday; not so cold.

"A Novel Cure"

given by mid-winter graduating class of High School, will be presented at Ravenwood opera house

Wednesday Night, January 30th

Curtain at 8:30. Five piece orchestra. Tickets — Children, 15c; adults, 25c; reserved seats, 35c.

Clean Your Sidewalks

CLEANING SIDEWALKS REQUIRED.

Section 17.—All persons are required to keep the sidewalks on any streets on which sidewalks now or may hereafter be made in front of the tenement respectively occupied by them (and where houses are occupied by several tenants then the person or persons occupying the tenement nearest the street), swept clean of mud, dirt, filth, snow and ice, and any person failing or refusing to comply with the requirements of this section, shall be deemed guilty of a misdemeanor.

BY ORDER STREET COMMITTEE.

MEMBER MISSOURI PRESS ASSOCIATION

Forum-ettes

As a form of athletic exercise, just what is your opinion of shovelling snow?

When a man has been unusually nice to his wife she always suspects that he has been Up to Something.

We have been at war nearly a year now and all the "hell" we have given to anybody has been to each other.

Did you ever figure up how much time you had lost keeping appointments with the other fellow?

There would be plenty of revenue for war purposes if we could tax a few of the men we know on their personal valuation of themselves.

Of course, every gentleman is proud of being a gentleman at all times, but he cannot help being interested in watching a lady walk through deep snow.

From the time a girl is old enough to know a man from any other animal she is having trouble with the brute She begins by trying to get money out of her father and from that on she is either trying to get herself a man trying to live with one, or trying to get rid of one.

Yeh. A lot of us are going to observe Lent this year because of circumstances that are out of our control.

You may not attend church, but the truth of the matter is you would not get along very well in a community that didn't have them.

A man always hopes the Lord will look after his friends for the good things they have done for him, but he generally is willing to take over the job of attending to his enemies himself.

A Maryville doctor was summoned the other day over the phone by a woman who informed him she had just met with an automobile accident. "Much hurt?" asked the doctor. "Not much," came back the answer. "Only a bent fender and a busted inner tube." And she wondered why the doctor laughed.

$100 in gold is the amount to b given away on page four of this paper—look it up. You may be the lucky one.

Red Cross News From Nodaway Auxiliaries

MRS. ARTHUR M. CROOKE
Phone, Hanamo 4366

(Note:—Please report or send all news of Red Cross Activities to the editor of this column)

Calendar.

Monday — Baptist auxiliary; Mission Circle.

Tuesday — Christian church auxiliary; W. R. C. auxiliary.

Tuesday Night—Westminster Guild.

Wednesday — Hospital auxiliary; Shakespeare auxiliary.

Thursday — Methodist Missionary Society auxiliary.

Friday—South Methodist auxiliary; D. A. R. auxiliary.

Friday Night—Evening auxiliary.

Saturday—P. E. O. auxiliary.

Keep On Knitting.

George W. Simmons, manager of the Southwestern Division, who is now on his way to France on a two months tour of inspection, leaves the following word for Red Cross workers:

"Please be informed that there will be no cessation of knitted garments for at least five years, in my opinion We cannot possibly get enough. Not only will we need every knitted article that we can get during the war, but for years after the war ends America will assume a burden of reconstruction of many countries not as yet possible of entry. I refer to such as Siberia, Belgium, Poland Russia, etc. The best information I can secure from those just back from the front convinces me the war is good for three years more, and those are to be our years. Any rumor that will cause our American women to stop any sort of Red Cross work is German propaganda, and should be recognized and treated as such."

For the week ending January 26 there was shipped from Red Cross headquarters 4,326 surgical dressings, 132 knitted articles, 81 bed shirts, 104 miscellaneous articles. Shipments were received from auxiliaries at Pickering, Ravenwood, Parnell, Conception Junction, Elmo and White Cloud.

The Palestine auxiliary was organized under the Graham branch last week and held their first meeting on Wednesday with Mrs. M. Moore of Skidmore, instructor. There was a good attendance and much interest was taken in the work.

A class of sixteen at the Normal is receiving instruction from Mrs. W. J. Osburn. The course will be finished next Wednesday when 150 workers will begin work under the new teachers.

Eleven schools in the county now have Junior Red Cross units at work on refugee garments, being unable to get yarn for knitting. At the Maryville High school two auxiliaries have been formed, one making afghan and the other refugee garments. Both auxiliaries of young folks are doing splendid work.

Rockford auxiliary recently organized, held their first meeting last Wednesday afternoon at the home of Mrs. Henry Wells, with Miss Ruth Montgomery, instructor. The auxiliary meets every Wednesday afternoon. Mrs. L. E. McGinness, Mrs. Cal Williams and Mrs. Geo. Coler were new members.

White Cloud auxiliary made 270 dressings and one sweater. At the meeting at the home of Mrs. O. D. Walker sixteen members were present. One new member was added.

United Workers auxiliary held an all-day session last Wednesday at the Pleasant Grove church and made 278 articles. Another all-day session will be held again next Wednesday.

Ravenwood auxiliary made during the months of November and December 3,020 dressings.

Shipments from the Southwestern Division at St. Louis last month of articles sent from auxiliaries throughout the district were: 1,104,421 articles. Of this number 51,631 were hospital garments, 51,906 were patients' clothing, 897,420 were surgical dressings, 58,281 were knitted articles and 45,193 were miscellaneous.

The Loyal auxiliary at Burlington Junction will meet January 30 with Mrs. R. P. Ferguson. Nine were present at the last meeting.

Aunt Martha Cameron of Skidmore, 90 years old, when the call came to knit helmets for the soldier boys, got out her knitting needles and proceeded to show the younger folks how to knit one. Needless to say the work was done in an expert manner.

One of the members of Maryville, who has a penchant for figures, has found that the twelve local auxiliaries are making dressings at the rate of one every six and one-half minutes.

The women of Conception Junction auxiliary were given $72.15, the proceeds of an entertainment given there.

Charles Swinford of Pickering is in Maryville on business today.

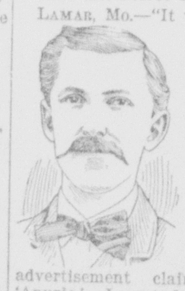
Our Boys in France and Home Protection

The men on the firing line represent the pick of our American youth. One in four of our boys at home was sick, rejected because of physical deficiency. Many times the kidneys were to blame. If we wish to prevent old age coming on too soon, or if we want to increase our chances for a long life, Dr. Pierce of the Surgical Institute, Buffalo, N. Y., says that we should drink plenty of water daily between meals. Then procure at the nearest drug store, Anuric (double strength). The cost is 60c. This "An-u-ric" drives the uric acid out and cures backache and rheumatism.

If we wish to keep our kidneys in the best condition a diet of milk and vegetables, with only little meat once a day, is the most suitable. Drink plenty of pure water, take Anuric three times a day for a month.

Send Dr. Pierce 10c for trial pkg.

LAMAR, Mo.—"It was impossible for me to void the kidney secretion without the use of a catheter, consequently serious complications arose. Water became foul and caused great irritation and much pain. Everything advised did no good. I saw Dr. Pierce's advertisement claiming merit for 'Anuric.' I sent for a package and soon discovered that it brought relief. I have used Anuric ever since. The water is natural now, my health good, appetite splendid. I most assuredly feel that Anuric is a great remedy for bladder troubles."—H. H. FLEISHER, Box 896.



Ravenwood News

Miss Nellie Lee Sims, Correspondent

Mrs. W. T. Jackson and Mrs. Nan McElvain were Conception visitors on Friday.

J. E. Sims of McFall, Mo., came up Tuesday for a short visit with the Sims family.

Mrs. Vern Henson, who has been quite ill at the home of Mrs. S. M. Irvin, has been removed to the St. Francis hospital in Maryville for treatment.

J. L. Judd of Athelstan, Ia., visited his uncle, J. B. Judd, Wednesday of last week.

Z. A. Warden and family, east of Ravenwood, were agreeably surprised when about sixty-five of their friends and neighbors slipped quietly up to their door last Monday evening. They brought with them the refreshments and made ready and served oyster soup, ice cream, etc. Mr. and Mrs. Warden and family will soon leave the neighborhood for their new home northwest of Ravenwood.

Mrs. Wm. Tate, who was operated on at Ensworth hospital in St. Joseph, is reported to be getting along nicely and is pleased to have as her night nurse Miss Lora Proctor, daughter of Joseph Proctor of Ravenwood.

Mrs. L. A. Joy has received a card from her son, Thad Danford, who is in the navy, mailed at Balboa, Panama. Miss Jennie Anderson also received a letter from her brother, Gus Anderson, from the same place, written on a paper made of wood. Walter Ogelsby heard from his son, Obed, who is now somewhere in France, saying they had a pleasant trip going over.

The Ravenwood auxiliary of the Red Cross meets twice a week, Tuesdays and Thursdays, and are doing fine work.

Mrs. Sarah Dryden has returned from a three weeks visit with her son, E. S. Warden, and family at Valley Junction, Ia.

Soldier's Letters

EMET STURM NOW IN FRANCE

Says Enough Praise Cannot Be Given for Work Red Cross Is Doing

The following letter has been received by C. C. Steiger of Ravenwood from Private Emet Sturm, who formerly lived in Maryville:

"Somewhere in France.
December 18.

"Mrs. C. C. Steiger,
Ravenwood Hospital Unit.

"Dear Mrs. Steiger—I received the Christmas fruit cake in excellent condition. I wish to thank you in behalf of the good people of Ravenwood.

"Ravenwood certainly has shown her patriotism by the number of young men who have offered their lives for the Stars and Stripes. I am sure not one of them will die or come back contented until Prussianism is crushed and Old Glory floats over Berlin. Every one of the boys dressed in olive drab is doing his utmost to learn modern warfare behind the lines somewhere in France, while mothers and sisters are doing their bit of noble work at home by knitting and sending good things for the soldiers.

"I wish to thank you again, but words cannot praise enough the good work that the Red Cross is doing. I wish to assure all that I am in excellent health.

"Very respectfully,
"PRIVATE EMET STURM.
"Hdqurs. Co., 16th Infty., American Ex. Forces, France."

SOME WERE WASHED OVERBOARD

Erle Lewis Tells of Trip Overseas In Letter to His Sister

Erle Lewis, with a field hospital company in France, has written the following letter to his sister here:

"Somewhere in France.
December, 1917.

"Dear Sister Mary:

Arrived in France all O. K. I sure had a dandy trip. I was sick for two days; never felt so much like dying in my life. We were in an awful storm. Some fellows were washed overboard and were never picked up.

So far I like France fine. The people sure dress funny. They wear wooden shoes.

Hoping this finds you all as well as I, and I am feeling fine. Answer soon. Love, ERLE.

"My address is Erle A. Lewis, Field Hospital Co. 15, American Expeditionary Forces, via New York."

If you can use $100 in gold look up the advertisement in this paper on page four. It may be easy money for you.

Home on Ten Day Furlough.

Thomas J. Cain of the Great Lakes Naval Training station ,is spending a ten days furlough at home with his parents, Mr. and Mrs. Thomas Cain, east of Maryville. Young Cain expects to go on a ship upon returning to the Lakes.

Visiting In Maryville.

Mr. and Mrs. J. S. Owens of Tarkio arrived in Maryville Saturday to visit Mrs. Owens' parents, Mr. and Mrs. D. E. McDonald.

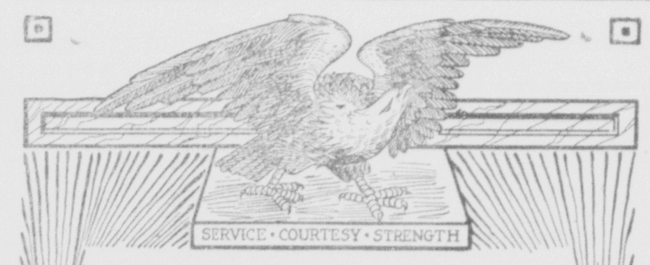
For Quick Sale—

I have some very cheap city property and vacant lots. Well located, good terms, if taken soon. Also some five and ten acre properties close in which are bargains.

And some farms from 30 to 240 acres that can be had if taken by Feb. 10. Come and see me quick.

G. B. HOLMES, The Land Man.



We Collect Rents

How would you like to have the Farmers Trust Co. collect your rents, draw up your leases, and attend to all the annoying things that you now have to do, if you have property to rent?

If you permit us to do this for you, we will do it carefully, legally, and you will have no misunderstandings or complications with your tenants.

The rents will be collected promptly, and credited to your account immediately.

When a store room or residence is vacated, we will do our best to secure you a new tenant.

Piles Cured WITHOUT THE Knife

Is My Life Study With My 18 Years' Experience

The radical and non-surgical method with which I successfully treat and GUARANTEE to CURE all forms of PILES, FISTULA and FISSURE without the KNIFE. No general anesthetic, no DETENTION from BUSINESS. Remember, that I do not treat all diseases the human body is heir to, neither do I treat incurable diseases.

Our patients will tell you they are not confined to bed; walk about, and attend to their daily duties.
Read what they say:

Attorney-at-Law at Richmond, Mo.

This is to certify that Dr. E. F. Higdon, a specialist, used his mild method for piles and other allied diseases in my case, which I was troubled with itching piles and fissures, which was cured in two weeks. After receiving my treatment I drove in a buggy twenty miles on the same day, continued my work daily thereafter. This cure was made in 1912, and I have never had any return of the trouble since. I take great pleasure in recommending him to the public who is in need of his services.

Dec. 1, 1917. Wm. TRAVERS THOMPSON.

Did not Lose a Day's Work on the Farm.

Mr. Jesse Hicks, farmer, age 55 years. Twenty years a sufferer of piles. I read your advertisement in the St. Joseph Gazette. Piles cured without the knife or general anesthetic, and that the guarantee was no cure no pay. I concluded samething had to be done, as I had the protruding and bleeding piles, that were gradually getting worse, which seemed to exhaust my whole energy. At times was getting very nervous, had aching pains in my back and legs, and did not sleep well at night. Today I am sound and well and have had no trouble since taking the treatment.

I take great pleasure in recommending your Institute methods of treatment, and was permitted to go to my home from Oregon, Mo., to St. Joseph, and did not lose a day's work on the farm nor confined to the bed or room during the entire treatment of three weeks.

Dec. 23, 1917. JESSE HICKS, Oregon, Mo., R. F. D.

Ask for examination—always free.
Remember, all cures taken on a positive GUARANTEE — NO CURE, NO PAY.

Beginning TUESDAY, JANUARY 29, I will visit Maryville weekly on every Tuesday during the month of January and February only, at the Linville Hotel.

THE RADICAL AND NON-SURGICAL INSTITUTE.

E. Franklin Higdon, M. D.

Physician in Charge.

SCHOOL CHILDREN TO HELP

In Campaign for Fuel Conservation Tags Will Be Tied to Shovels "Tag Your Shovel Day"

In order to impress upon the public the necessity for frugality in the use of coal the conservation division of the fuel administration has set January 30, 1918, as "Tag-Your-Shovel- Day." Tags, representing a shovel and bearing suggestions for saving coal, are to be tied by the school children to practically every coal shovel in the country on this date.

The children of our own schools will distribute the tags in this community. Like the proverbial "string around the finger to remember by," these tags should act as a constant reminder to each man, woman and child who uses a coal shovel tha every shovelful of coal saved means just so much more additional power help and support for the American soldier and sailor on the firing line.

We are at war. Huge amounts of coal are needed to carry on a war [illegible] United States after mining more coal than ever before is still fifty million tons short.

Battleships must be coaled. Munitions factories must be kept at full steam. Army cantonments must be heated. Homes must be kept warm.

This gap can only be filled through coal saving in American factories and homes.

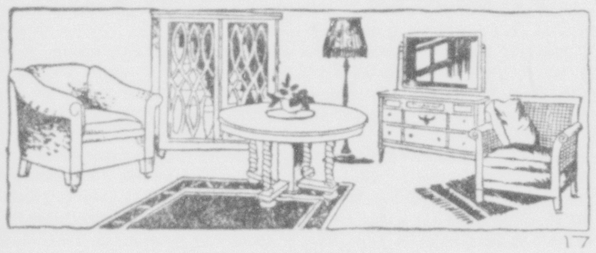
GIVE PLAY AT OPERA HOUSE.

"Making Good," by St. Patrick's Parishoners Promises a Treat.

The four-act comedy drama, "Making Good," to be given by members of St. Patrick's parish Wednesday evening February 6, at the opera house, is expected to be one of the best amateur plays that has been given in Maryville for a long time. A proficient and versatile cast is earnestly rehearsing the play and several good vaudeville numbers will be given.

Being Held as a Spy.

Detroit, Jan. 28. — The local police have arrested a man who identifies himself as Merkesall, a general in the Turkish army. He is being held as a spy pending investigation by federal authorities.



Aiding The Nation's Thrift.

We were well stocked before the rise in furniture prices, and we are told that our part in aiding the thrift of the nation is in selling goods so as to give you

As Much Value as Possible for Your Money

Consequently we are paying no attention to the raise in wholesale prices, but are selling furniture at the same price we asked before the advance.

This fact makes every day a SALE DAY at our store—and you will be able to make your money go further here and at the same time have the advantage of a very large selection.

BUY FURNITURE NOW WHILE WE ARE ABLE TO GIVE YOU THESE PRICES.

RAN AMID HAIL OF BULLETS

St. Louisan Writes of Thrilling Adventure With Germans in "No Man's Land"

St. Louis, Jan. 28.—The thrilling story of a St. Louisan trapped in a dugout in "No Man's Land" in France and compelled to run amid a hail of German bullets while his companions dropped dead around him, was told in a letter written to friends here by William C. Kelso of the Twelfth Engineers.

Kelso with more than fifty others was trapped in the dugout which became the target of German machine guns for hours. With the coming of darkness Kelso and others bolted from the demolished shelter and ran over the open space between the German and British trenches. Most of the men were mowed down by machine gun fire. Kelso and a companion escaped by dropping into shell holes and by other tricks.

It is believed the attack was at the last battle of Cambrai.

LOCAL FARMERS TO GET NITRATE

Government to Sell Nitrate for Fertilizer Through Chairman County Council of Defense.

Notice has been given to me as Chairman of the County Council of Defense, that the U. S. Department of Agriculture will sell at cost a supply of nitrate of soda to farmers in Nodaway county.

The nitrate was purchased through the War Industries Board under the authority of the Food Control Act as a part of the program for stimulating agricultural production. It will be unloaded at Atlantic ports and the price will be $75.50 a ton, free on board cars at port of arrival. Farmers are to pay in addition freight from port of arrival and the State fertilizer tag fee.

How to Obtain Nitrate.

Applications for a part of the 100,000 tons of nitrate bought by the government will be received only from actual farmers or owners or holders of farms for use on their land, and may be made through the undersigned or through any member of a local committee.

No money will be required with the application, but upon notice from the Chairman County Council of Defense, farmers who have signed applications must deposit with a local bank, money to cover the cost of the fertilizer except the freight charge. After the money is transmitted to Washington the nitrate will be shipped to the farmers. If applications for the nitrate exceed the supply of about 100,000 tons the government will allot the supply upon a pro rata basis among those who applied. Applications must be received by February 4.

W. C. PIERCE, Maryville, Mo.

NEWFOODRULES FEBRUARY 1

F. P. Robinson Advises That Copies of Order Are Being Sent Him and Wide Publicity Will Be Given

The new food regulation to be in effect shortly will have wide publicity, according to F. P. Robinson, county food administrator. Many have called by phone to know the requirements of the new order and Mr. Robinson advises that he is in receipt of information this afternoon that copies of the order are being sent to him. They will be given to the press at the earliest possible moment, as they are to be in effect Friday, February 1.

Move to Conway, Mo.

J. M. Hasty left today with his household goods for Conway, Mo., near which place he and his family will make their home. Mrs. Hasty and son, Henry, and Mr. and Mrs. Hamilton Hasty and family will leave tomorrow. Mr. Hasty and family have resided east of Maryville for about ten years.

Oratorio and Choirs Practice.

At the weekly rehearsal of the Oratorio society this evening the combined choirs of the churches will also meet for practice for the union Sunday night service. All choir members of the various churches are urged to attend. The Oratorio society will continue rehearsals for "The Creation" and new members are invited.

Arrest Three In Jewelry Theft.

Chicago, Jan. 28.—Two men and a woman are reported under arrest in connection with the theft of jewelry from a Chicago establishment Saturday valued at from one hundred thousand to three hundred thousand dollars.

American Airmen In Raid.

American Headquarters in France, Jan. 28.—Five American pilots attached to the French Esquadrille took part in a daylight raid over German soil Saturday, it was learned today. Excellent results were achieved and all returned safe to their headquarters.

Vern Henson and C. D. Todd of Ravenwood were Maryville visitors yesterday.

Society and Clubland

BY MISS LUTA MOODY
Hanamo 42. Farmers 114

Mrs. Blagg is one of Maryville's most charming young ladies. She is a graduate of the Maryville High School, and has attended the Normal school several terms. Mr. Blagg, who is enlisted in the United States army, is stationed at Fort Leavenworth, Kan.

PAINS IN BACK AND SIDE

Yield to Lydia E. Pinkham's Vegetable Compound.

Kansas City, Kansas.—"I suffered from pains in my back and side caused by a functional derangement. I was nervous and had headaches most of the time. So many people recommended Lydia E. Pinkham's Vegetable Compound to me, I tried it and after taking six bottles I am well. I do not think the Vegetable Compound can be beaten for woman's ailments."—Mrs. L. TIMMERMAN, 3011 N. Hutchings St., Kansas City, Kansas.

Women who suffer from headaches, nervousness, backache, the blues and other symptoms of a functional derangement should give this famous root and herb remedy a trial.

For forty years it has been overcoming such ailments of women after other medicines have failed.

If you want special suggestions in regard to your condition, write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of long experience is at your service, and your letter will be held in strict confidence.

Alderman-Yehle Dry Goods Co.
WEST THIRD STREET, MARYVILLE, MO.

Eleven Counties Have Voted Bonds.

Eleven counties in Missouri have now voted $9,500,000 for good roads and by April 1 the state will have $1,500,000 to help them. Convict labor also will help.

Taking Treatment at B. J.

Mss Mary Barrett of Skidmore is in Burlington Junction this week taking treatments at the Mineral Springs. Miss Barrett, who teaches the Bilby school, northwest of Skidmore, has dismissed school for the week.

Roach Simerly, the little four-year-old son of Mr. and Mrs. S. F. Simerly, of Rosendale underwent an operation Saturday at St. Francis hospital for appendicitis and is reported improving this morning.

Miss Veronica O'Grady visited over Sunday and Monday with Mr. and Mrs. Charley Groves, of near Graham.

Dr. Jesse Miller went to Kansas City yesterday on business.

The Itching and Sting of Blazing, Fiery Eczema

Seems Like the Skin Is on Fire.

There is a harrassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its source.

[illegible] blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., for this remedy so thoroughly cleanses the blood that no impurities can remain. Get a bottle to-day at any drugstore, and you will see results from the right treatment. Write for expert medical advice, which you can get without cost, by addressing Medical Director, [illegible] Swift Laboratory, Atlanta, Ga.

LITTLE CORN IN ELEVATORS

Scarcity In East Brings Request for Reason for Delay of Missouri Crop Being Moved

Jefferson City, Jan. 28.—In reply to a telegram from Medill McCormick, representative at large in the lower house of congress from Illinois as to the delay in the movement of Missouri corn, Governor Gardner replied that December 1 fully 18 per cent of the total crop of the state, 260,000,000 bushels, had been sold or was under contract, and that 28 per cent was available for shipment for food or feed at this time. Only a small per cent of the corn of the state is held in country elevators, the governor learned from officials of the state department of agriculture.

It is said corn is very scarce on the eastern markets and the inquiry from McCormick was doubtless for the purpose of finding out conditions in the corn growing states.

WITH THE WEATHER DOPESTERS

Possibilities of an Early Spring and Favorable Crop Season

"Old timers" are still discussing the severe winter, the possibility of an early or late spring, as the case may be, and the chances for escaping a hot summer that will appear like hades. Opinion appears to be equally divided on these questions. One old timer says you can look for an early spring and a long hot summer. Another o. t., who has liven in this section many years and who is somewhat of a weather sharp, says that there will be a late spring and that the summer will be unusually cool for this section of the country. All are quite agreed that the rainfall of this winter and spring will be above the average. But what the people of this section are mostly concerned about is whether we will have a favorable crop season.

Settle Argentine Railway Strike.

Buenos Aires, Jan. 28.—Argentine railway lines involved in the strike today acceded to the demands of the men and a speedy return to normal conditions is promised.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel — are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists.

SEND 1-2 MILLION MEN OVER

That Number Will Be In France For Service Before End of Year, Baker Tells Committee

Washington, Jan. 28. — For two hours today Secretary Baker answered Senator Chamberlain in the war department before the senate military committee. He stated that thirty-two national guard and national army camps in the United States were filled with men ready to go to France as fast as were needed.

The United States will have more than half a million of soldiers in France before the end of the present year, Secretary Baker told the committee this afternoon.

SNOW BLANKET OVER WEST

Zero Weather Accompanied the Storm of Sunday — East Is Also Experiencing a Blizzard

The plains states were again covered with a blanket of snow as the result of storms which were general over Kansas, Missouri and Oklahoma yesterday and last night. Zero weather accompanied the snow and in some parts of Kansas and Oklahoma severe blizzards were reported, following rain and hailstorms.

Washington, Jan. 28.—The worst sleet and snowstorm of the winter, and one of the worst in many years practically paralyzed the national capital today. New York is in the grip of one of the worst snow storms of the winter. Baltimore is hit by the worst blizzard it has experienced in nineteen years.

GUESSING THE WOMEN'S AGES

New Game Among Cape Steamship Passengers Stirred Up Wrath of Entire Party.

To relieve the monotony of a recent homeward voyage, the smoking-saloon habitues of a Cape steamship invented a new sweepstake. The bright idea originated during a debate as to the age of one of the women passengers. "Let's take all the women in the passenger list," suggested the sportsman who thought of the sweepstake, "and each of us guess their individual ages, add up the total, and hand his estimate to the purser. The purser has exact information in the age declaration of every passenger. He can add up the true aggregate, and the man who comes nearest to it takes the pool."

The sweepstake was carried out, but, so far from beguiling the tedium of a voyage it made it worse, relates a correspondent, for it ended in a certain number of embittered men, a wrathful purser, and a ship's company of suspicious and quarreling women.

First of all, the women saloon passengers could not understand, and much resented, men passengers walking round their chairs, making calculations with pencils, studying their hairs and complexions with perturbing curiosity.

Then, when the sweep was drawn, the mean man was embittered who had secretly gone round to most of the women passengers and tried to elicit their ages. The mean man's aggregate estimate was 450 years under the winner's guess. The innocent man was also embittered who had gone round to women asking them to give him their judgment as to other women's ages. The innocent man's estimate was 600 years above the winner's guess.

And the purser was most embittered of all, for not one woman passenger would speak to him the rest of the voyage.

WIRELESS FOR ALL TO HEAR

Instrument No Larger Than Fountain Pen Enables One to Pick Up Messages Nearby.

The "fountain pen" wireless receiver is an established fact, for through the use of the audion bulb Dr. Lee De Forest has perfected a little instrument, no larger than some of the extra-size fountain pens in use by men with heavy hands, through which it is possible for a man to pick up wireless messages at distances up to eight or ten miles, says the Illustrated World.

The instrument depends entirely upon the audion bulb for its efficiency.

The audion bulb, as most of those interested in wireless knows, made feasible the recent long-distance messages sent out from Washington, and its use for communication by wire also made feasible the now common transcontinental telephoning between New York and San Francisco.

The entire principle of the audion bulb is to amplify sound waves, and by making a bulb small enough to be placed in the end of the fountain pen tube Doctor De Forest has literally made it possible for any "man in the street" to pick up whatever wireless communication may be going on in his neighborhood.

Mrs .Homer Dragoo left Saturday for Kansas City, where she will make her home with her sister, Mrs. Harvey Clark.

Mrs. Gertrude Rittenour of Brookfield is in Maryville visiting at the homes of Mr. and Mrs. M. Rittenour and Mr. and Mrs. J. F. Montgomery.

PATHS TO PROFIT WITH HENS IN THE BACK YARD.

Keep the hens confined to your own land.

Don't keep a male bird. Hens lay just as well without a male.

Don't overstock your land.

Purchase well matured pullets rather than hens.

Don't expect great success in hatching and raising chicks unless you have had some experience and have a grass plot separate from the yard for the hens.

Build a cheap house or shelter.

Make the house dry and free from drafts, but allow for ventilation.

Fowls stand cold better than dampness.

Keep house and yard clean.

Provide roosts and dropping boards.

Provide a nest for each four or five hens.

Grow some green crop in the yard.

Spade up the yard frequently.

Feed table scraps and kitchen waste.

Also feed grain once a day.

Feed a dry mash.

Keep hens free from lice and the house free from mites.

Kill and eat the hens in the fall as they begin to molt and cease to lay.

Preserve the surplus eggs produced during the spring and summer for use during the fall and winter when eggs are scarce and high in price.

Bethany News

Miss Leota Turner, Correspondent.

A number from here went to Maitland Sunday to attend the funeral of Mrs. Leslie Linville, who died at her home near Maitland. Mrs. Linville is survived by her husband, two children and her parents, Mr. and Mrs. Collison, of Maitland.

All were greatly shocked Wednesday morning to hear of the suicide of George Cook, a farmer residing near Sunnybrook. Mr. Cook is survived by his wife, three daughters, Mrs. E. Miller of Yuma, Colo., Mrs. Chas. Hale and Mrs. Dwight Hughes, both of near Skidmore, and a son, Earl Cook. Funeral services were held Saturday afternoon at 2 o'clock at the Methodist church at Graham.

L. C. Miller and Frank Park were business visitors in Maryville Saturday.

Preaching services were held at Bethany church Sunday by Rev. Rust of Burlington Junction.

Miss Hazel Davidson, teacher at the Singery school, spent the week end with her parents, Mr. and Mrs. L. J. Davidson, of near Barnard.

Miss Leota Turner spent the week end with her parents, Mr. and Mrs. William M. Turner, of near Barnard.

Roger Miller and Emmet Ripley made a business trip to Maryville Saturday.

Mr. and Mrs. Edgar Elliott are the parents of a baby boy, which arrived at their home Sunday.

While cranking his Ford car the other day Earl Barcus had the misfortune to severely hurt his arm.

The meteor which passed Tuesday evening caused lots of excitement in this community, as no one seemed able to explain the quick flash of light and the loud explosion.

A little stranger, weight ten pounds, and named Clarence Ray, arrived Friday at the home of Mr. and Mrs. John Fite, east of Maryville.

Fultz.

Allen McNeal shipped a car load of cattle and a car load of sheep to St. Joseph Wednesday.

L. C. and James Miller have been putting up ice the past week.

Several pupils have been absent from the Miller school on account of sickness.

Cyrus Yingling of Altoona, Pa., is the guest of his sister, Mrs. Gordon

S. H. Kemp, Clerk.

Lake R. Scott

$100 Reward

If you will cut out this ad and bring it to me inside of 12 months with a buyer for one of the nicest located, handiest and best improved farms in Northwest Missouri, I will give you the above amount in gold for your trouble.

DESCRIPTION OF FARM.

Size 80, 120, or 160 acres in one block. This farm is located in the northeast corner of Nodaway county, Independence township. The 1917 statistics shows this county to be the richest and most productive county in the state. Over 10 million dollars worth of corn, wheat and oats were grown in this county last season. If your home is in the above county you are living in one of the richest and most productive agricultural spots on this globe and in this locality. A crop failure was never known. This land is in a high state of cultivation. Black soil underlaid with clay, rolling with good drainage; no rock or stone—75 to 100 acres in cultivation, 30 to 40 acres meadow, balance pasture, all under fence and cross fenced. This farm is nicely located on main traveled road, two miles from town, one mile to church, ½ mile to school, telephone and free delivery. Sheridan is a town of 6 or 7 hundred population located on one of the best railroads in the state. All classes of business represented. Good 12 grade school, two churches, large grain elevator and everything that goes to make it one of the best buying and selling points between Des Moines, Ia., and Savannah, Mo.

DESCRIPTION OF IMPROVEMENTS.

Two story eight room house, nicely finished, with cement walks all around it and to all the out buildings; wash house 14x16; good brick cave; horse barn 30x40; cattle barn 40x50; hay shed 20x60; hog house 16x30; hen house; garage; implement shed, and best of all, never failing water, with wind pumps and two large cement watering tanks. If the above description is something near what you want come and look it over and if satisfactory, the price is right. One-third down, balance 5, 10, 15 or 20 years at 6 per cent.

P. S.—Will sell household goods and furniture, stock, hay, grain and farm implements on same terms and give possession in ten days. Come and see or address
